COMMODORE'S COMMENTS

We recently experienced another successful corned beef and cabbage dinner this year with 36 members in attendance. The cooks were Russ & Mary Berg, Tom & Cam McElwee, Dan & Donna Danowski, George & Sam Graubner, and Wayne & Lynne Happel.

Much food preparation goes on behind the scenes. Russ picked up three cases of meat, vegetables and other supplies at his favorite restaurant supplier. He proceeded to deliver slabs of the meat to Donna and Lynne for pre-cooking and kept one to cook himself. Sue brought in additional dinnerware and refreshments and helped set tables with Mary, Cam & Donna. Meanwhile, Lynne and George sliced and cooked cabbage. The rest of the crew finished cooking and slicing the meat while Tom kept the dishes washed. To make this happen, we all had to be in the kitchen by 4:00 p.m. to begin our chores. Loads of food and cookware had to be hauled up to the second floor. It was all worth it when we were ready to serve by 7:00 p.m. After dinner, Tom and his mates cleaned up the kitchen while Jim sold the leftover meat. We even made a \$100 for the club! Now the committee is looking forward to next year when we can do it all over again.

By the time you get this newsletter we will have had the dinner at the Fox & Hounds. Thanks, Dave and Carolyn Schneckenberg, for arranging this event.

Our next membership meeting is scheduled for April 21st at The Zierden Company. Don't go to our usual clubhouse at Harborside. See insert in this newsletter for more details and location.

MBC BOARD MEETING MINUTES
MARCH 24, 2011

The meeting was called to order by the commodore after the membership meeting.

Board members present: D. Schneckenberg, G. Halstead, J. Heyden, T. McElwee and W. Happel. Sitting in for L. Wagner was Sue Ring-Wagner.

We met to further discuss the merits of liability insurance. The club's assets are only about \$3,000, but Wayne questioned whether we needed, what is referred to in the industry as, officers and directors insurance.

At the suggestion of a club member, we obtained and reviewed State Statute 181, which addresses liability of a club officer or director. We decided to determine at a later date if further study is warranted and adjourned the meeting.

MBC MINUTES FROM MARCH 24, 2011

Commodore Wayne Happel called the meeting to order at 6:45 p.m.

The first item on his agenda was to thank the committee that prepared the corned beef & cabbage dinner.

The minutes of the February 17th meeting were approved as published in *The Runabout*.

The Commodore gave 60 days notice that an amendment to the bylaws will be voted for approval by the membership to change the maximum amount the purser is permitted to pay bills without board approval from \$50 to \$500.

Senior Pilot Jim Heyden reminded everyone the Shove-Off Spree is scheduled for May 13th at Seven Seas restaurant

Purser's Report was presented by Wayne Happel on Dave Dorner's behalf. Starting balance 2/17/11 was \$2,886.37, Expenses \$331.13, income \$332 and ending balance 3/23/11 \$2,887.24.

Program Chair Dave Schneckenberg reminded members of the dinner at Fox & Hounds on April 6th.

Wayne reported that at the March Harbor Safety meeting, it was announced buoys would be placed on sunken wrecks near the Port of Milwaukee. Also a buoy will be set over rocks near the water surface east of Bender Park on Lake Michigan. April 16th, 4,000 volunteers will clean up the shore along The Milwaukee River.

Air Show – See Russ Berg to volunteer your boat to fire air guns 7 to 10 days prior to the event to scare away birds, which are a hazard to low flying jet planes during the show.

Sam Graubner reminded members that she and Connie were collecting non-perishable food items for the needy this evening and at next month's meeting. Any cash donations will be used to buy Pick & Save gift cards for the needy.

Dan Danowski announced that a boat safety examination would be held at SSYC June 12th from 10:00 a.m. to 1:00 p.m.

A reminder was made that the April 21st membership meeting will be at the Zierden Company. See more details in an article in this issue of *The Runabout*.

The meeting was adjourned at 7:00 p.m. A corned beef and cabbage dinner followed the meeting.

**Respectfully submitted,
Lynne Happel

SPECIAL APRIL 21st MEMBERSHIP MEETING

We have the privilege of being invited to our next membership meeting at The Zierden Company. This is a company owned by MBC member Pete Zierden.

We will begin with a short meeting held in Pete's very comfortable conference room. There you will be able to view Pete's "G" collection, which stands for garden scale model railroad engines and rail cars. He also has some ship models on display.

Pete has a modern manufacturing facility with some of the largest machines in the Midwest. He will take us on a guided tour to observe the manufacture of products he produces for the off-road construction industry, flood control pumps for Louisiana, gear cases for opening and closing the Mississippi Locks, rock quarry crushing machinery and fabrications used in the mining industry.

I have visited Pete's facility many times and assure you that you will not be disappointed.

Members with last names beginning with letters A – M, please bring hearty appetizers. Those with last names beginning with N – Z, please bring desserts.

Bring a non-perishable food item for a needy family's Easter dinner.
